

Darji voice

Darji Mitra Mandal of the UK

Dear Members,

With our deepest condolences we dedicate this edition of **Darji Voice** to **Sanmukhbhai Ratilal Tailor**. It is through sheer hard work of such members that our organisation stands where it is. Sanmukhbhai, who recently passed away, gave most of his life to promote and bond our community. We applaud his commitments and enthusiasm. Whilst serving this Mandal as **President for 18 years**, he and his team were able to purchase and develop what is now our **Darji Pavilion;** our biggest achievement today. Most of us would fondly remember him for the **Sammelans** he organised, his singing at the **Navratri** and his ability to get us all involved in the **aarti**. He also provided services during funerals for our community members. Amongst other things he will always be remembered for his motivating speeches.

Sanmukhbhai, his team and the previous committees have laid a strong foundation for our community with the purchase of the **Pavilion** and it is our duty to carry on binding the community, especially **the youth**.

Your participation is required to ensure we continue to develop our community relationship, and to put forward your views, we require your support at the forthcoming **AGM** on **Sunday 2nd of May 2010**. **Pravin Jivan**

President

Sanmukhlal Ratilal Tailor

Affectionately known to many as **San**, **Sanmukhlal Ratilal Tailor** was born on **13**th **February 1941 in Navsari, India**, to his parents **Mr Ratilal Vithal Tailor** and the **Late Mrs Lalitaben Ratilal Tailor**. He was the second eldest of 11 children. He had three brothers and seven sisters.

At the age of 5, he travelled with his mother to Kenya where they settled in Nakuru.

At school he wasted no time and very quickly became a diligent student with a passion for literacy and numeracy. In those days it wasn't uncommon for young children to work as well as attend school, and so he found himself helping his father in the tailoring business. Later he went on to college where he qualified as a book-keeper

He got his first proper job in 1955 at **British Locomotive** in **Nakuru**. Soon after, thanks to his father's connections, he managed to get a job with **Barclays Bank DCO in Thomson Falls** at the age of 19. After a further 4 years at the age of 23, in 1964 he was transferred to a senior post in **Nanyuki**.

This was to be a very significant year in his life because he met his wife to be, a very young **Miss Harigangaben Raghubhai Tailor** and in **May 1964** they got married in **Eldoret** on the day after his elder brother, **Late Natwarbhai Ratilal Tailor's** wedding in Nairobi. A year later, in July 1965, they were blessed with a daughter, **Aarti**, in Eldoret and four years later, in June 1969, with a son, **Nilesh**, in Nairobi.

DMMUK

It was during the mass exodus from Kenya in what became known as "**The Ugandan Asian Crisis**", in **1970**, Sanmukhbhai and his wife, along with their 2 children left **Kenya** behind to come to England, where they landed in **Southend-On-Sea**.

Sanmukhbhai was very fortunate in that he was able to keep his job with **Barclays** through a transfer program. He worked for **Barclays Bank PLC** in the City of London's banking district.

Due to his great ability to read, write and speak English fluently, he was chosen to work at a **Re-settlement camp** in Honiton all the way down in Devon for a short period in **1972.** Here he helped in the re-settlement of **2,500 Indian immigrants from Kenya/Uganda.**

Sanmukhbhai, along with his wife and children lived in rented accommodation in **Hendon**, North West London which they shared with his elder brother The late **Natwarlal Ratilal Tailor** and his family. Later on the families were to move out of rented accommodation and in 1980, Sanmukhbhai finally bought his own house in **Wembley**, where he was to live for the rest of his life.

Meanwhile, he continued to work for the bank for another 11 years, after which time he chose to take an early retirement in 1991.

Life for Sanmukhbhai wasn't just about the regular 9 to 5 routine. As many of us know only too well, he had great passion for **Sport** and **Music**. His favourite singers were **Mohamed Rafi and Mukesh**. He himself loved to sing, and many of you may have heard him sing some of their songs at various functions. He had a natural talent to engage with people from all backgrounds and ages. He had a great sense of humour and was very articulate. He was very forthright in sharing stories and jokes with anyone who found themselves in his company.

During the late 70's Sanmukhbhai, along with some of his friends helped organise **Navratri festivals** at **Brondesbury High School in Kilburn**. He also found himself organising **Diwali Parties** for Bank Staff during the late 70's and early 80's.

Soon he was encouraged to bring his talents to the Darji community and in 1982, he started singing garba for us at Finchley Manor Hill School and we danced to his melodious voice for years to come. It was during these years of entertaining us that he was encouraged to become a committee member by Dinkerbhai K Navsaria and he did so without a second thought. It is well known that he didn't just stop there. He then went on to become our Joint Secretary and then Secretary. Soon after that, in an unprecedented step, he became our President AND Secretary fulfilling both roles with such a passion. In his time as our President, we came to see and hear him present some great inspiring speeches at those wonderful Diwali Sammelans in Dunstable, Luton. Also during this period, he presided over our purchase of the Darji Pavilion in North London, Palmers Green and along with a team of only few, battled against the odds to complete the project so that we could finally make use of the building.

Later on, in **2005**, Sanmukhbhai became **quite ill** from an illness which we now know he never overcame. He was unable to walk due to vascular problems in his legs. This was further compounded in **2009**, when he suffered a series of minor heart attacks and in June he had his first major attack. Within a week, he had yet another major attack. He saw his family for the last time on the night of 12th February and in the early hours of his **69th Birthday on 13th February 2010**, Sanmukhbhai passed away peacefully in his sleep. He leaves behind

- His Father **Mr Ratilal Vithal Tailor** (Hendon, London UK)
- His Wife Mrs Hariganga Sanmukhlal Tailor
- 2 Children, Arti Pradipkumar Tailor and Nilesh Sanmukhlal Tailor, a son-in-law (Pradipkumar Natwarlal Haribhai Tailor) and daughter-inlaw (Mrs Rohini Nileshkumar Tailor)
- 7 Grand Children.
- 6 sisters & 2 brothers, many nephew & nieces and grand nephews and grand nieces

Over 300 attendees enjoyed a mouth watering lamb curry. Vegetarians were not left out either. The bar was busy too - and all that on a Sunday with family and friends at a roll back price of just £3.00. I am sure that brought back memories.
